Mosby's Textbook For Nursing Assistants - Hard Cover Version, 9e

Synopsis

Master the essential skills of today's nursing assistant! Mosby's Textbook for Nursing Assistants, 9th Edition prepares you to work in long-term care, acute care, and subacute care settings. Known for its comprehensive coverage and an easy-to-read, visual approach, this book includes step-by-step instructions for over 100 nursing assistant procedures. New to this edition is a practice scenario in each chapter to help you develop problem solving and critical thinking skills, as well as Focus on Math boxes that highlight common calculations done on the job. Written by well-known educator Sheila Sorrentino and expert co-author Leighann Remmert, this market-leading text emphasizes the importance of teamwork and communication — two elements critical to being an effective nursing assistant. Complete coverage includes the knowledge and skills needed by the nursing assistant. Guidelines to over 100 procedures are divided into pre-procedure, procedure, and post-procedure sections for easier learning. A clear, readable writing style is supplemented with more than 1,000 full-color photographs and illustrations. Key terms and abbreviations are included at the beginning of each chapter, with a comprehensive glossary at the back of the book. Review questions in each chapter are useful in guiding your study, reviewing what you have learned, and preparing for a test or the competency evaluation. Video icons indicate skills for which video is provided on the free Evolve companion website or in Mosby's Nursing Assistant Video Skills 4.0 (sold separately). Summary boxes highlight key aspects of patient care including safety and comfort, long-term care, home care, personal pride, the needs of children and older persons, cultural considerations, communication guidelines, delegated tasks, teamwork, and time management. Focus on PRIDE boxes highlight personal and professional responsibility, rights and respect, delegation and teamwork, and ethics and laws to help you promote pride in the person, the family, and yourself. The Workbook and Competency Evaluation Review corresponds to chapters in the text and encourages learning with a wide variety of exercises. It also includes over 100 checklists, one for every procedure in the textbook. The Competency Evaluation Review includes a content review, skills evaluation review, and two practice exams to prepare students for their certification exam. Sold separately. Promoting Safety and Comfort boxes detail measures and cautions for providing safe, effective patient care. Focus on Long-Term Care and Focus on Home Care boxes highlight information vital to providing competent care in these settings. Focus on Children and Focus on Older Person boxes provide age-specific information about the special needs, considerations, and circumstances of children and older persons. Caring About Culture boxes help you learn about the beliefs and customs of other cultures so you can provide appropriate care. Focus on Communication boxes provide guidelines for what to say and ask when

communicating with residents, visitors, and the nursing team. Teamwork and Time Management boxes cite ways you can efficiently work with and help nursing team members. Delegation Guidelines identify your specific responsibilities in accepting commonly delegated tasks. NEW Getting a Job chapter describes the professional skills needed for seeking and landing a new job upon certification. NEW Delegation chapter explains how nursing assistants work within the health care team and receive instructions from the nurse, and includes tips on questions to ask when receiving delegated tasks. NEW! Focus on Math highlights the basic math skills you need as a nursing assistant.
