## **Customer Reviews**

Thank you for sending such a great book. I'm certain that I can succeed in my CNA course due to the well thought out questions in this workbook. The book is in great shape and I appreciate that. Sincerely, Linda FillIPS: I would recommend to all my friends for quality items

I've been doing some studying out of this book - it is packed with all kinds of useful information! A very good textbook for the new CNA.

Very useful when I bought this new for my CNA class at Mission College :). Brand new, fast shipping, and delivery. Worth every penny. Would recommend buying from seller again •

Book review This book recaps the text quite well and brings out the salient points. I find the book in very good condition and affordable.

It was good condition. The only bad thing was that it had 4 chapters written on, other than that it was

good.

Good Buy! True to description... Fast Shipping... 2 Thumbs up!

Great condition for the price. Thank you!
