Succeed in Your

Course with iLrn. Created specifically for languages, iLrn is an all-in-one course management system developed to elevate thinking through listening, speaking, reading, and contextualized writing activities. Its ease of use, communication tools, and superior content — including multimedia and authentic materials — helps you succeed in the course. iLrn gives you everything to master the course. The audio and video-enhanced learning environment includes an audio-enhanced eBook with integrated activities, companion videos, an online workbook and lab manual with audio, an interactive voice board, interactive enrichment activities, diagnostic activities that generate your own personalized study plan, and access to a variety of online tutoring services.

Elevate Thinking. iLrn resources allow you to learn basic vocabulary and grammar, and apply what you learn using communication tools. Use the Voiceboard to record your interactions with your instructor and classmates in the language you are learning. Promote Better Outcomes. Self-assessments generate an individualized study plan, linking you to resources that help you accomplish course objectives while empowering you to learn.
