Throttle's Seduction: Insurgents Motorcycle Club (Insurgents MC Romance Book 7)

Synopsis

Throttle, Road Captain of the Insurgents Motorcycle Club, likes his women willing, stacked, and no strings attached. His life and needs are simple: riding his Harley, bedding as many women as can fit in his bed, and scorching his throat with whiskey. The tall, rugged outlaw is a magnet for women who love life on the wild and dangerous side. They know not to expect anything from the tattooed biker but sheer pleasure. Life couldn't be better. Until he meets Kimber. The black-haired mechanic at Hawk's bike shop. What the f@#k? In his world, the only thing a woman should do on a Harley is spread her pretty legs wide. She is sassy-mouthed, aggravating, and not his type at all. And he doesn't need any woman—let alone a chick in mechanic coveralls—messing with his head. It's a shame all he can think about is doing nasty things to her on his motorcycle. Kimber Descourts has had to fight to be accepted in a man's world and she is not a quitter. Always attracted to the bad boy biker, she has had her share of unfaithful, jerk boyfriends. Swearing off all bikers since her last boyfriend made her his punching bag, she's content with working on Harleys, taking a few business classes, and being blissfully alone. Then she meets Throttle. He's a cocky, chauvinistic bastard. Oh yeah | he's also incredibly handsome, built, and sexy as all hell. He's exactly her type. She should run far away from him, but her body wants him in the worst way. They say opposites attract, but when a hardened biker and a tough free-spirit ignite, their world combusts. Will their differences bring them together or pull them apart? In the midst of Throttle and Kimber's tug of war, a Peeping Tom has been creeping around Pinewood Springs watching ladies behind the shadows of the night. He spots Kimber Descourts and is drawn to her. And he's beginning to grow bored of just watching | Can Kimber put her pride aside and ask for Throttle's help? Is Throttle ready to let the feisty mechanic melt his icy heart? The Insurgents MC series are standalone romance novels. This is Throttle and Kimber's love story. This book contains violence, sexual assault (not graphic), strong language, and steamy/graphic sexual scenes. It describes the life and actions of an outlaw motorcycle club. If any of these issues offend you or are triggers, please do not read the book. HEA. No cliffhangers! The book is intended for readers over the age of 18.

Customer Reviews

This book will have you turning the pages just to see if and when Throttle and Kimber get together. Throttle throws around his macho bulls*** because his brother Hawke hired a female mechanic . Throttle hates the idea of a female working on Harleys. Well thank goodness for Kimber's kickass no holds bar attitude because she puts him in his place! Girl Power! • And she rides a pink Harley! That passes him off too! I love these two together . Then there's the creep peeking into women's houses and watching them undress into there bar and panties. I felt so creeped out and violated when this would happen. The guy is a family man! He goes home to his wife and kids at night after breaking into women's homes and stealing there bras and panties! This creep had me until the end of not knowing who he was! I couldn't believe it! The suspense through out the book on when this guy was going to strike Kimber had me darn near climbing out of my chair! I love the suspense the writer brings to this series, it's awesome! Can't wait to read the next ! This series is so worth reading but I would start at book one so you get to know the brothers and the other old ladies.

I always think when I read one of Chia's books....ok now I've found my true book boyfriend....I do til she writes a new one!!! This book didn't disappoint....I was ready for Throttle and Kimber's story. Kimber isn't a stranger to the MC life, coming from an abusive past with her ex. She is tough and soft at same time, and can out mechanic any man.Throttle vows to never settle down with an old lady...he likes it free and easy. he won't be burned again.when he meets Kimber at Hawks shop, he is shocked and irritated that she works there, and even more irritated by his reaction to wanting

her. They both fight the attraction for one another, but finally give in. Kimber tries to tell Throttle that it can't be anything more, and in his mind it's not over til it's over for him. This book has so much action in it, I couldn't put it down once I started. Another great book and story!!! loved it!!!!

This is a tough one to review. I could not stand Throttle...almost did a DNF at 18%. I love this series and find Ms. Wilders writing entertaining, clever and engrossing, but this one was tougher to like. He was such an ass, more so than the others. I know they are outlaw bikers and it's their code but the others weren't written in such a way. Also, I liked Kimber so that helped and Throttle was redeemed eventually. There seemed to be a lot of story threads left open and that isn't usually the case in her stories either, hence the 3 stars. I won't list any spoilers it just seems so different compared to the other books. I still recommend this series and look forward to more. Rock was a bit of an ass too but the teaser of his story is yet again different and intriguing so I will definitely read it. ^

Well Chiah you did it again! I love that an MC member finally got brought to his knees wanting someone and had to fight his way to Kimber. She is a determined and strong willed woman who he couldn't except as a mechanic in Hawks bike shop. The rapist murderer through me off that is for sure. I thought it was someone who worked at the police station. Well can't give away anymore but it was another of the insurgents story that I couldn't put down until it was completed. Can't wait for book 8 Rock's Redemption coming in October 23, 2016.

Ok, I must say I love this series and each story in it. But by far this one is my favorite of them all. I love all the guys in the club. But Throttle is truly a bad a**. He is alpha, strong protective, hard, sexy and just completely HOT. Kimber was different from the beginning. I could totally relate to her working and doing a job that is dominated usually only by men (I worked in a factory of all men me being the only female on the floor. It wasn't always easy). Kimber is strong, feisty, doesn't take sh** from anyone even if it is a biker. And she is independent. It was great fun to see the changes in them both from the beginning of the book to the end. I must say that when it came to the happenings going on I had three suspects. I love that I was kept guessing until the end. I will say there was one point on the rode trip, ok twice, that I gasped at said out loud " oh sh**!!!" I was expecting something but when what happened happened I was still caught off guard. I loved and hated the build up. Lol. So by far this is my favorite of all the books. It had me the whole time. Kudos to Ms. Wilder. You did a great job. I would recommend this book and series to others.

Kimber is a sexy, motorcycle riding, motorcycle mechanic. She is one of the best at Hawk's garage. He is the VP of the Insurgents Motorcycle Club. Throttle is the Sergeant in Arms of the club. A total hottie and manwhore. He is never settling for one woman when he can have two or three at once. When he goes to the garage and sees a woman working there, he goes ballistic. He is of old school thinking..a woman shouldn't be doing a mans job. Kimber was an old lady before so she knows how bikers are. But she works in a mans world and can hold her own. Throttle can't get her off his mind and has to have her. When they do get together, WOW! But now a peeping tom has her in his sights and he is escalating to rape and murder. Can Throttle save her before he strikes again? Awesome story. Change your panties hot. Sexy biker with a bad temper. Smart, independent mechanic. A crazy psycho. I honestly didn't like Throttle at first. He was a major a-hole but when you see a little of the softer side, makes you fall in love with him yourself. Suspense that'll keep you guessing to the end.
